

# Tutorial: Personal eDressage Dashboard

The **Personal eDressage Dashboard** is your tool to access your scoresheets right after the competition. This tutorial explains how you can get set up and what you will find.  
You can always enter it here: [dashboard.equestrian-hub.com](https://dashboard.equestrian-hub.com)

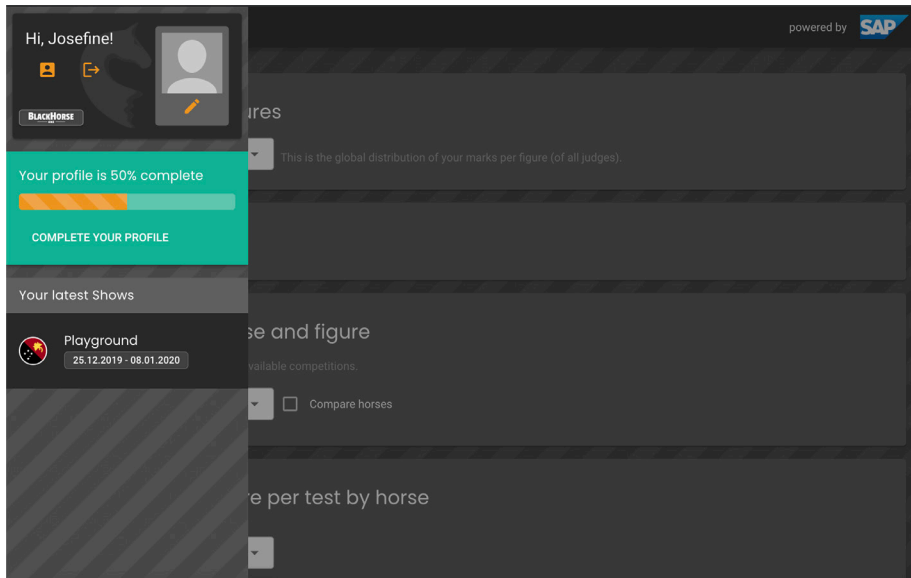

## 1. Invitation Email:

You will receive an invitation email to set your password for your dashboard access. Simply click „set password“!

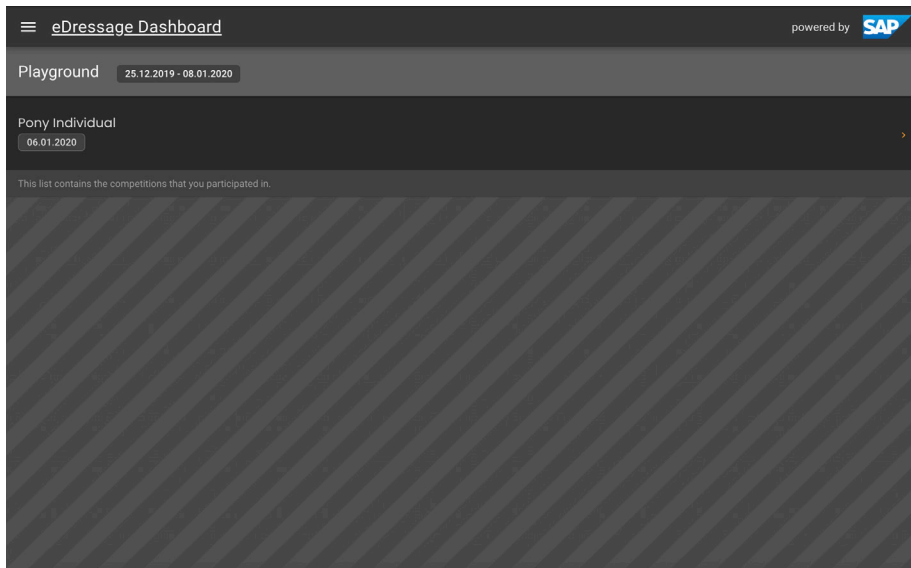

## 2. Login Dashboard

Once your password is set, you can log into the Dashboard.

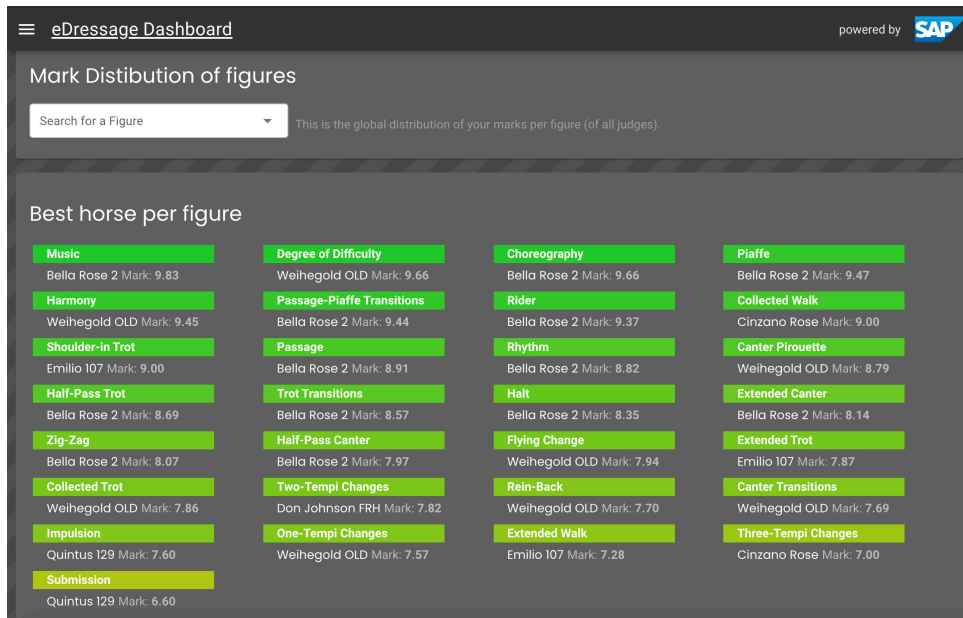

### 3. Personal Data and Shows:

On the left side, you will find your personal data and the shows in which you participated.

### 4. Competitions and Scoresheets:

Clicking on the show leads you to the competitions and then to your scoresheet.

## 5. Statistics:

When you click on the „eDressage Dashboard“, you will find statistics about your marks of your performances.

**Enjoy using your Personal eDressage Dashboard!**
